Terms and Conditions for For-Profit research entities

For-Profit entities must obtain a license from Takara Bio Europe AB regardless of intended use. After obtaining the license, please fill in requirements on this Agreement and send it to the dealership. The product sales shall be declined without this Agreement from purchase. A separate Agreement is required for each purchase. For more information, please contact a licensing representative by e-mail at info-cellartis@takarabio.com

Terms and Conditions for Not For-Profit research entities

Upon return of a completed and signed copy of this agreement, Not-For-Profit research entities receive a limited use license with their purchase of the product. Please fill in requirements on this Agreement and send it to the dealership. The product sales shall be declined without this Agreement from Purchaser. Not-For-Profit entities wishing to use this product for purposes other than internal research use should contact a licensing representative by e-mail at info-cellartis@takarabio.com

The limited use license granted to Not For-Profit entities with the purchase of the product is non-exclusive, non-transferable, non-sublicensable and limits the use of this product to internal, non-commercial, scientific research use only. The license specifically excludes the right to sell or otherwise transfer this product, its components or derivatives thereof to a third party, regardless of whether or not compensation is received. The license does not grant any right for the purchase to use this product or its components in humans for any purposes including but not limited to diagnostics and/or therapeutics, or otherwise clinical trials.

Any inquiries about the licenses relating to products should be made to Takara Bio Inc. directly or through TAKARA BIO's subsidiaries listed below.
